BackTrack Cumulative Index to Volumes 26-30

COMPILED BY TERRY PENFOLD

Publishing History

Volumes 26-30, 2012-2016 each 12 issues. Pp. 1-768

The Index

The index is arranged alphabetically within major topic headings. If an item does not fit within any of the main headings it is shown as a stand-alone entry.

Each entry is shown with volume and page number(s). Entries which are primarily illustrative are marked with an asterisk.*

Many items appear within more than one main topic heading.

Acknowledgements

The index entries include the annual indices of individual volumes compiled by the editor with some clarification of subject matter if appropriate.
